Wearing of Cricket Helmets

It is Edenbridge Cricket Club's policy to adopt the ECB safety guidelines on the wearing of Cricket Helmets by young players up to the age of 18. The guidance recommends that:

- Helmets with a faceguard or grille should be worn when batting against a hard ball in matches and practice sessions
- Young players should regard a helmet with a faceguard as a normal item of protective equipment when batting, together with pads, gloves and, for boys, an abdominal protector(box)
- Young wicket keepers should wear a helmet with a faceguard when standing up to the stumps.

We intend to strictly follow the ECB guidelines in this matter, and will not accept parents or guardians written consent not to allow their child to wear a helmet.

Junior Players playing in open age group cricket, this concerns the U13 age group in Year 8 who will be 12 years old on the 1st September of the preceding year.

It is Edenbridge Cricket Club's policy to adopt the ECB guidelines in the selection and participation of junior cricketers playing in adult matches. It is essential as parents/guardians that you understand that the step up from junior to senior cricket is a significant event. Edenbridge Cricket Club will select only those junior cricketers U13's (school Year 8) and below, who are considered exceptional talented players to participate adult matches. Approval for those players must be given by the Clubs Head Coach and Colts Chairman and the explicit written consent from the parents must be obtained prior to that player participating in adult match.
